Hiring Committee
St. Anne Health

APPLICATION — CLINICAL PHARMACIST

Dear Hiring Committee:

I am applying to St. Anne Health because this opportunity calls for the same combination of judgement and execution that has shaped my work.

Hospital pharmacist with 10 years of experience in internal medicine, antimicrobial stewardship, and transitions of care. Combines direct patient care with protocol design, resident teaching, and measurable medication-safety improvement.

The evidence I would bring is concrete:

- College of Pharmacists of British Columbia | Full Pharmacist | Active.
- Board Certified Pharmacotherapy Specialist | Active through 2029.

What attracts me to St. Anne Health is the opportunity to apply that experience with a team that values clear decisions, careful execution, and measurable outcomes.

I would welcome the opportunity to discuss the role and the contribution I could make.

Sincerely,

Sofia Park, PharmD

Clinical Pharmacist
