Hiring Committee
Alder Capital

APPLICATION — INVESTMENT ASSOCIATE

Dear Hiring Committee:

I am applying to Alder Capital because this opportunity calls for the same combination of judgement and execution that has shaped my work.

Investment professional focused on lower-middle-market infrastructure and business services. Experience spans financial modeling, commercial diligence, transaction execution, and portfolio performance across \$780M in evaluated enterprise value.

Two recent results show the contribution I can make.

Evaluated 46 platform and add-on opportunities and presented 11 investment committee memoranda. Built operating and debt models for three completed transactions totaling \$214M in enterprise value.

What attracts me to Alder Capital is the opportunity to apply that experience with a team that values clear decisions, careful execution, and measurable outcomes.

I would welcome the opportunity to discuss the role and the contribution I could make.

Sincerely,

Daniel Okafor

Investment Associate
