## Overview

This document presents a focused plan for White Paper, with a clear decision path and accountable delivery.

## Evidence

The supplied evidence supports a practical next step while keeping assumptions and limitations visible.

Figure 1 The offer turns approved source material into polished, repeatable documents with less manual formatting.

| Metric      | Value   | Target  |
|-------------|---------|---------|
| Performance | 72%     | 90%     |
| Time        | 12 days | 8 days  |
| Status      | 3.8 / 5 | 4.5 / 5 |

## Approach

---

Work moves from discovery through delivery and validation, with an owner and acceptance check at each stage.

## Risks

---

The main dependency is timely access to source material; a short review gate limits rework.

## Next step

---

Approve the first phase, confirm the named owner, and hold the kickoff within ten business days.
