

Amelia Hart

Product Designer · Toronto, Canada · amelia.hart@example.com · ameliahart.ca

SUMMARY

Product designer with 7 years of experience turning complex workflows into calm, high-trust experiences for global SaaS teams. I lead design systems, mentor designers, and ship work that moves the metrics that matter.

EXPERIENCE

Lead Product Designer

Northline Systems · Toronto

2022 – Present

- Led the onboarding redesign that cut time-to-value by 28% and lifted activation by 15%
- Built and shipped a design system now used across web, iOS, and Android
- Partnered with marketing on launch narratives and the pricing page refresh

Senior Product Designer

Cedar Labs · Vancouver (Remote)

2019 – 2022

- Shipped the analytics dashboard used by 40,000 monthly active teams
- Ran the weekly critique practice and mentored four designers to promotion

SKILLS

Product strategy · Design systems · Prototyping · User research · Figma · Accessibility

EDUCATION

B.A. in Visual Communication

Emily Carr University · Vancouver

2015 – 2019
